OUTSIDE THE UNITED STATES

July 24 - July 29, 2017

Silverstein Eye Center Arena

19100 E. Valley View Parkway Independence, MO 64055

Held under the sanction of USA Boxing, Inc. Missouri Valley LBC 6803 W 76 Street OP KS

To: International Amateur Boxing Coaches, Boxers, Team Managers and Doctors

This letter serves as an official invitation for amateur boxers, who are coming from outside the United States, to participate in the 2017 Ringside World Championships and may also be used for visa requests.

NEW - Please Note:

Elite male amateur boxers are eligible to compete at the 2017 Ringside World Championships if they provide a letter/travel permit from your local AIBA-registered boxing federation. The letter must list the specific names of each boxer and state they are approved to compete in the 2017 Ringside World Championships with headgear.

Every international club or athlete, including Canada, is required to obtain a written authorization letter from their Federation/Association to participate. ***This authorization letter must be provided to Combat Brands/Ringside, with all the participants' entry forms, so we can complete reporting obligations to USA Boxing.***

All international athletes and coaches must have a current-dated International or Federation/Association passbook.

Insurance for all 4 competition dates is required for international boxers other than Canada unless you provide proof of insurance through your Federation/Association. The proof of your federation/association insurance, or request for insurance, must be provided **before July 7, 2017**. If your Federation/Association does not provide insurance, you must be insured through TravMed, an Olympic insurance program, at a cost of \$5.00 per day, per person. Athletes must be covered and coaches should be covered. Additional members of your delegation may also wish to carry this medical insurance at the same cost. It is suggested you insure each member of the delegation for every day of travel in addition to the dates of competition.

We wish the best to your Federation/Association and look forward to seeing all eligible athletes participate in the world's largest amateur boxing tournament. If you have questions, please contact our national office via email events@combatbrands.com, fax 913.888.4274, or mail 15850 W. 108th Street Lenexa, KS 66219-1340.
